

YOU ARE INVITED TO AN OPEN GAME OF FATES WORSE THAN DEATH

WHAT IS IT?

Fates Worse Than Death is the Role Playing Game of suspense, horror and hope in 2080 on the streets of Manhattan.

Ruined by decades of war and global crises, the city is now home to those that can't or won't fit in elsewhere. The city is little more than an anarchy,

plagued by every imaginable evil and horror.

Yet in the darkness of the city, a flame of hope smolders and grows.

People in the city have finally realized that nobody else is going to save them, and they are learning to save themselves.
